**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have learned that ATT would like to eliminate copper and have us all rely on cell phones ...  
Unfortunately cell phone service is not available in my area and we depend on our landline for both  
basic and emergency calls. Please do not let this infrastructure be eliminated. Our local ISP offers  
FUSION service (which utilizes ATT wire) providing broadband service to many in our community  
and has provided cost effective access to the Internet with this option.

Thank you.
